PA# **CW3647595**

EFFECTIVE DATE OF THIS PARTICIPATION AGREEMENT ("PA"): 10.07.2023

This PA between IBM QATAR LLC ("Buyer") and George P Johnson FZ LLC ("Supplier") adopts and incorporates by reference all of the terms and conditions of the Base Agreement # 4998CM0379 in effect as of the date hereof ("Base Agreement"). This PA automatically incorporates any future amendments to the Base Agreement referenced in this PA, and will be made a part of this PA to the extent that the amendments do not conflict with the terms of this PA unless otherwise agreed to in writing by the parties to this PA.

The parties to this PA agree that purchases and sales of the Deliverables, Products or Services, as defined in the Base Agreement, will be conducted in accordance with, and be subject to, the terms and conditions of this PA, the Base Agreement and any applicable Work Authorizations.

AMENDMENTS: The following terms and conditions amend provisions of the Base Agreement to bring the conduct of the parties' transactions into conformity with local law and practice.

1.0 Prior Communications and Order of Precedence

In the event of any conflict in the terms of the Base Agreement, the order of precedence will be: (i) the quantity, payment and delivery terms of the relevant WA; (ii) the relevant SOW; (iii) this PA; (iv) the Base Agreement; and (v) the remaining terms of the relevant WA.

2.0 Choice of Law and Forum; Waiver of Jury Trial; Limitation of Action

The following replaces the Subsection titled "*Choice of Law and Forum; Waiver of Jury Trial; Limitation of Action*" of the referenced Base Agreement:

Both parties agree to the application of the laws of England, without regard to conflict of law principles. The rights and obligations of each party are valid only in the country where the transaction is performed or, if IBM agrees, the country where the product is placed in productive use, except all licenses are valid as specifically granted. The United Nations Convention on Contracts for the International Sale of Goods does not apply to transactions under the Agreement. All disputes arising out of the Agreement shall be finally settled by the London Court of International Arbitration (LCIA) (Arbitration Body), under the LCIA Arbitration Rules (the Rules), in London, UK, with English as the official language, by three impartial arbitrators appointed in accordance with the Rules. Each party will nominate one arbitrator, who will jointly appoint an independent chairman within 30 days or else the chairman will be appointed by the Arbitration Body under the Rules. The arbitrators will have no authority to award injunctive relief or damages excluded by or exceeding limits in the Agreement. Nothing in the Agreement will prevent either party from resorting to judicial proceedings for (1) interim relief to prevent material prejudice or a breach of confidentiality provisions or intellectual property rights, or (2) determining the validity or ownership of any copyright, patent or trademark owned or asserted by a party or its Enterprise company, or (3) debt collection in amounts below USD 500,000.00.

Unless otherwise provided by applicable law without the possibility of contractual waiver or limitation, any legal or other action related to a breach of this Agreement must be commenced no later than two (2) years from the date on which the cause of action arose.
